

Men's Singles Rules:

Each match will consist of 2 out of 3 sets with a super tie-breaker played in lieu of a 3rd set. With 4 teams playing (2 home/2 away), a total of 12 points is possible. Use a 12-point set tie-breaker when the set score is tied at 6-6. If a player is ahead by 2 games when the bell goes off, that player wins the point. Use a 10-point match tie breaker in lieu of playing a 3rd set. The match tie-breaker point will be split if the 2nd set has not been completed. Switch ends after each set.

- If a player wins 2 out of 3 sets, the player will be awarded 2 points plus 1 bonus point for a total of 3 points.
- If a player splits sets, and was not able to play the match tie-breaker, each player will receive 1.5 points for a total of 3 points.
- If the players split sets and a match tie-breaker is played and completed, the player who won the match tie-breaker will receive 2 points and the other player will receive 1 point for a total of 3 points.
- If the players split sets and a match tie-breaker is played but not completed, each player will receive 1.5 points (the match tie-breaker point is split) for a total of 3 points.
- If a player wins the 1st set and is up by 2 games in the 2nd set, that player will receive 2.5 points and the other player will receive .5 pt for the split point for the 3rd match tie-breaker set.

No refreshments will be served after the singles matches.

All other rules remain in effect.
